Electrical equipment	POWER equipment level PowerPlus equipment level PROFI equipment level PROFI PLUS equipment level Product features Fendt Variotronic	POWER equipment level PowerPlus equipment level PROFI equipment level PROFI PLUS equipment level Product features Fendt Variotronic: Vario Joystick with engine speed memory and cruise control, multi-function joystick with keys for rear linkage, control valves, cruise control and engine speed memory key, hydraulic controls, Vario TMS, automated linkage and PTO functions					POWER equipment level: Vario (2-gate) with engine speed and as well as automated functions center with Power joystick cruise control memory keys for the rear linkage and PTO PROFI equipment level: Multi-control, engine speed memory, hydraulic controls, Variotermi function joystick with cruise automated functions, nial 7-A with key operation PROFI PLUS equipment level: Multi-function joystick, 10.4" Varioterminal with touch and key operation, 2 camera ports, incl. VarioDoc Product features Fendt Variotronic: Front loader operation with weighing, memory and shake function (Fendt CargoProfi), ISOBUS implement control, SectionControl, USB port, Variotronic ³ automatic, Vario TMS, VarioDoc incl. wireless data transfer, VarioDoc Pro, VarioGuide, VarioGuide, VarioActive steering, headland management					Power equipment level: Multi-function joystick with cruise control, engine speed memory, automated functions, hydraulic controls, Varioterminal 7" with touch and key operation Profi equipment level: Multi-function joystick with cruise control, engine speed memory, automated functions, hydraulic controls, Varioterminal 7" with touch and key operation ProfiPlus equipment level: Multi-function joystick, 10.4" Varioterminal 7" with touch and key operation, 2 camera ports, incl. VarioDoc aux. valves max.: 7 da electr. valves/crossgate lever Product features Fendt Variotronic: Hydraulic controls, front loader operation with weighing, memory and shake function (Fendt CargoProfi), ISOBUS implement control, SectionControl, USB port, Variotronic ³ automatic, Vario TMS, VarioDoc incl. wireless data transfer, VarioDoc Pro, VarioGuide, VarioGuide, VarioActive steering, headland management				Power equipment level: Multi-function joystick with cruise control, engine speed memory, automated functions, Varioterminal 7" with touch and key operation, valves max. 4 da electr. valves PowerPlus equipment level: Joystick with cruise control and engine speed memory, guidance ready kit, Varioterminal 7" with touch and key operation, aux. valves max. 4 da electr. valves Profi equipment level: Multi-function joystick with cruise control, engine speed memory, automated functions, Varioterminal 7" with touch and key operation, aux. valves max. 8 da electr. valves / crossgate lever ProfiPlus equipment level: Multi-function joystick with cruise control, engine speed memory, automated functions, guidance ready kit, Varioterminal 10.4" with touch and key operation, 2 camera ports, incl. VarioDoc aux. valves max. 8 da electr. valves / crossgate lever Product features Fendt Variotronic: Hydraulic operation, ISOBUS implement control, SectionControl, Variotronic ³ , Vario TMS, VarioDoc, VarioDoc Pro, VarioGuide, VarioActive steering, cruise control and engine speed memory, camera function, VarioGrip tyre pressure regulation system controls				Power equipment level: Joystick with cruise control and engine speed memory, Varioterminal 7" with touch and key operation, aux. valves max. 4 da electr. valves PowerPlus equipment level: Joystick with cruise control and engine speed memory, guidance ready kit, Varioterminal 7" with touch and key operation, aux. valves max. 4 da electr. valves Profi equipment level: Multi-function joystick with cruise control, engine speed memory, automated functions, Varioterminal 7" with touch and key operation, aux. valves max. 8 da electr. valves / crossgate lever ProfiPlus equipment level: Multi-function joystick with cruise control, engine speed memory, automated functions, guidance ready kit, Varioterminal 10.4" with touch and key operation, 2 camera ports, incl. VarioDoc aux. valves max. 8 da electr. valves / crossgate lever Product features Fendt Variotronic: Hydraulic operation, ISOBUS implement control, SectionControl, Variotronic ³ , Vario TMS, VarioDoc, VarioDoc Pro, VarioGuide, VarioActive steering, cruise control and engine speed memory, camera function, VarioGrip tyre pressure regulation system controls					Power equipment level: Joystick with cruise control and engine speed memory, automated functions, guidance ready kit, Varioterminal 7" with touch and key operation, aux. valves: max. 4 da electr. valves, of which max. 1 optional 170 l valve Profi equipment level: Multi-function joystick with cruise control, engine speed memory, automatic modes, Varioterminal 7" with touchscreen and key operation aux. valves: max. 7 da electr. valves of which max. 2 are optional 170 l valves, crossgate lever ProfiPlus equipment level: Multi-function joystick with cruise control, engine speed memory, automated functions, guidance ready kit, Varioterminal 10.4" with touch and key operation, 2 camera ports, aux. valves: max. 7 da electr. valves of which max. 2 are optional 170 l valves, crossgate lever Product features Fendt Variotronic: Grip Assistant, hydraulic operation, ISOBUS implement control, SectionControl, Variotronic ³ , Vario TMS, VarioDoc, VarioDoc Pro, VarioGuide, VarioActive steering, cruise control and engine speed memory, camera function and bonnet camera, VarioGrip tyre pressure regulation system controls				Type Max. speed (km/h) Rear PTO (rpm) Front PTO (rpm)	Electrical equipment													
Front loader	Fendt Cargo / Fendt Cargo Profi	—					3X / 65					3X / 70 4X / 75 4X / 75 compact 4X / 75 profi				4X/85 4X/80 4X/80 Profi				4X/85 5X85 5X/85 Profi 5X/90 5X/90 Profi				—					—				Fendt Cargo / Fendt Cargo Profi	Front loader									
Equipment features	Further product options (selection), some are part of equipment packages	Air-conditioning, front axle suspension and much more Variants: 200 Vario V – the classic vineyard tractor for wine-growing, 200 Vario F – the medium-wide specialty tractor for wine and fruit growing, 200 Vario P – the wide specialty tractor for fruit and hops-growing, "Open-topped version" with roll-over bar (for V and P)					Air-conditioning, front axle suspension, cab suspension and much more Product features Fendt Vario Front loader operation with shake function (Fendt Cargo control, headland management tronic (Fendt 300 Vario Profi): weighing, memory and Profi), ISOBUS implement Cross-over work lights, LED work lights, automatically controlled interior lighting, coming home light, cooling compartment, sockets in the cab, wide-angle mirror, air-conditioning, VarioActive, load relief front linkage control, DCUP/CUP couplings, integrated cable lead-through, etc.					Cross-over work lights, LED work lights, auto. controlled interior lighting, coming home light, 300° wiper, cooling compartment, wide-angle mirror, air-conditioning, sockets in the cab, VarioActive, load relief front linkage control, power beyond, DCUP couplings, integrated cable lead-through, row crop (track width at least 60"), and much more.				Cross-over work lights, LED work lights, auto. controlled interior lighting, coming home light, 300° wiper, cooling compartment, wide-angle mirror, air-conditioning, sockets in the cab, 300° wiper, wide-angle mirror, load relief front linkage control, power beyond, reverse drive mode, air-conditioning, VarioActive, DCUP couplings, and much more.				VarioGrip (tyre pressure regulation system), cross-over work lights, LED work lights, auto. controlled interior lighting, coming home light, cooling compartment, sockets in the cab, 300° wiper, wide-angle mirror, load relief front linkage control, power beyond, reverse drive mode, air-conditioning, VarioActive, DCUP couplings, and much more.					VarioGrip (tyre pressure regulation system), cross-over work lights, LED work lights, auto. controlled interior lighting, coming home light, cooling compartment, sockets in the cab, 300° wiper, wide-angle mirror, load relief front linkage control, power beyond, reverse drive mode, air-conditioning, VarioActive, DCUP couplings, and much more.				Handbrake electro-pneumatic, VarioGrip (tyre pressure regulation system), cross-over work lights, LED work lights, bonnet work lights, daytime running lamps, autom. controlled interior lighting, coming home light, 3rd brake light, cooling compartment, sockets in the cab, 300° wiper, side window wiper, roller shade right, bonnet camera, wide-angle mirror incl. position light, power beyond, reverse drive mode, air-conditioning, VarioActive, exchangeable hydraulic system with 1/2", 3/4" & 5/8" FFC DCUP couplings, 170 l valves, 2 hydraulic pumps 220+210 l/min, rear linkage/rear PTO optional, and much more.					Further product options (selection), some are part of equipment packages	Equipment features								

All specifications correspond with the latest information when going to press in March 2016. Due to continual model improvements, specifications and values may be updated.
