Gold Star Customer Care

If you're impressed with what a Fendt has under the hood, wait until you see what's behind it.

Those that do more, expect more.

When you purchase a Fendt tractor, you get a lot more than leading-edge tractor technology. You also gain a wide range of valuable support services under the Fendt Gold Star Customer Care plan. The Gold Star Customer Care plan keeps your overall costs firmly under control. Your Fendt dealer will take care of regular servicing and maintenance and will carry out repairs as required.

THE BEST IN CLASS GOLD STAR WARRANTY.

- **Long-term coverage** — The best tractor warranty in the industry— Fendt Gold Star Customer Care covers your new tractor for 3 years or 3,000 hours, whichever comes first. Most competitors only provide a two-year warranty.

Up to the task. Every task.

The highest quality service – Fendt dealers and mechanics are constantly up-to-date with the latest technology and equipped with modern diagnostic systems, electronic parts catalogues and online order systems. They have the tools and expertise to get your Fendt back into working order quickly.
